

MAN'S MIGHTY POWER
OVER HIS FELLOW-MAN

THE SECRET REVEALED
AT LAST.

ASTOUNDING DISCOVERIES WHICH
PROVE THAT PEOPLE CAN AC-
TUALY BE INFLUENCED AND
CONTROLLED FOR YEARS
WITHOUT DREAMING
THEY ARE UNDER
THE MYSTIC SPELL
OF ANOTHER.

How It Is Done—A Powerful Secret Meth-
od of Mind Control, By the Side
of Which Hypnotism and Kin-
dred Influences Sink into
Insignificance.

At last the true secret of mental power
and mind control has been revealed. A
noted college in the city of New York has
just issued a wonderful book by eminent
scientists, which lays bare the mysteries
of personal influence. Five thousand
copies of this remarkable work are to
be distributed free of charge for the pur-
pose of acquainting the public with this
mighty mind power.

This wonderful new force gives a con-
trol and an influence over persons that
would astonish and mystify the most
powerful hypnotist who ever lived. It
enables you to know the secret natures
and lives of everyone you meet; you can
tell the character, abilities and entire na-
ture of your correspondents, though thou-
sands of miles away. You can exert a
strange silent influence over others in your
presence or at a distance entirely with-
out their knowledge. You can quickly
develop your will power, memory and
other mental faculties to a marvelous de-
gree. You can by a new secret process,
quickly cure bad chronic diseases and
build up your own health and strength in
an incredibly short space of time. It
explains the most marvelous system of
physical and mental development known
to man. It truly reveals the secret power
of charming, the art of fascination. You
can win and hold friends without num-
ber. You can master the secrets and
know the power of the wise men of old.
You can acquire that inward confidence,
that magnetic power that will enable you
to overcome all obstacles to success, and
rise to a position of prominence in your
community. The book is enthusiastically
indorsed by ministers of the gospel, busi-
ness and professional men. It is a work
which should be in every home. This
wonderful new work is entitled "The Se-
cret of Power." It fully explains the uses
and possibilities of the marvelous "Ki-
Magi" system of personal influence. It
lays bare the mysteries of magnetic con-
trol. It gives you a veritable key to the
secrets of men. It is richly illustrated
by the finest half-tone engravings. It is by
far the most remarkable, interesting and
thrilling work of the kind ever written.
For a limited time it will be sent to your
address absolutely free. "In your 'Ki-
Magi' System I have found what I for
years searched for in vain," writes Mr.
Joseph Steiner, 1100 Ninth Street, N. W.,
Washington, D. C. "It has changed the
whole trend of my thought and given my
life a new meaning. I feel younger and
stronger every day. I find in it the key
to business success." W. Rockwell Kent,
of Birmingham, N. Y., writes: "Your Ki-
Magi System is the most powerful agency
on earth for the betterment of man. All
who master it will become a power in the
world and be successful and happy."

B. L. Yetter, of Middletown, Pa., says:
"The 'Ki-Magi' System of personal in-
fluence has brought me the success in
business for which I have been looking.
It is the magnet which controls. There
is no guesswork about it—it is a scienti-
fic fact. It has taught me to know and
control myself as well as others."

Felix Moosbrugger, of No. 276 Halsey
Street, Newark, N. J., writes: "Many are
the swindling deals I have avoided in
my father's business through my knowl-
edge of your system. The change which
has taken place in my personal character
is simply marvelous. I have developed a
confidence and power in myself that I
never dreamed I could acquire."

Colonel C. E. Butler, of No. 1201 Euclid
Avenue, Cleveland, O., says: "My success
in curing afflicted people is absolutely
wonderful. A boy given up for sure death
by five physicians I restored to perfect
health inside of five minutes. A woman
that could not touch her foot to the
ground on account of rheumatism was
cured by one application of the method
explained in your system."

If you wish a free copy of the book
which started Mr. Moosbrugger, Colonel
Butler and others on the road to success,
write to-day to the Columbia Scientific
Academy, office 1141B, 1941 Broadway,
New York, and the book will be sent you
by return mail, postage prepaid.

TAKE OATH
TO KEEP LAW

Amendment Requiring Can-
didates to Swear Not to Violate
Pure Elections Statute.

ANOTHER AMENDMENT ALSO
Would Require Voters in Pri-
maries Swear to Support Nom-
inees in General Elections.

The business of the General Assembly
yesterday was confined almost entirely
to what the House did. The most inter-
esting and important action of that body
was the adoption of the amendment of
Mr. Green, of Fauquier, requiring can-
didates for elective office to take an oath
when filing their notice of candidacy
that they will not violate the pure elec-
tions law. The amendment is designed
to strengthen the law and many mem-
bers expressed their belief that it will
have that effect. A more radical amend-
ment, offered by Mr. Churchman, de-
signed to require those voting in legalized
party primaries to take an oath to sup-
port the nominees of such primaries, was
rejected, a motion to reconsider made,
and that motion passed by. The amend-
ment will hardly be adopted.

Among the bills passed was a Senate
bill to allow the voters of Farmville magis-
terial district to vote on the question
of establishing a dispensary for the sale
of liquors. A House bill to amend the
Boynton dispensary law was passed also.
The House.

The House was called to order at noon
by Speaker Ryan, and there was no
prayer. A number of bills were passed.
A measure offered by Mr. Green to
require all candidates for office to
take a rigid oath at the time of filing
notices of their candidacy, that they will
not violate the provisions of the Barke-
dale law, was taken up, and the mem-
ber for Fauquier spoke warmly for its ad-
option.

Mr. West spoke against the bill, and
Mr. Whitehead in its favor, the latter
declaring that it would strengthen the
Barke-dale bill.

Mr. Churchman opposed the amend-
ment, and he and Mr. Whitehead be-
came involved in a good natured colloquy
as to the fairness of elections in their re-
spective sections, and Mr. Carter, of
Scott, advocated the measure in a brief
speech. The bill of Mr. Green was in the
nature of an amendment to the general
election laws, and it was adopted with-
out division, and the House went on
with the consideration of the bill. Mr. Church-
man offered an amendment, which was
rejected, reconsideration passed by.
The House then considered a bill to
make voters in legalized primaries swear
to support the nominees of such pri-
maries, and pending the further con-
sideration of the measure, the House
adjourned.

Messrs. Woodward and Whitehead offered
a petition from the Council of their
city, asking the Legislature to pass a
bill, extending the time of the present
local Board of Improvement of the Sixth
Ward, from July 1, 1904, to February 22,
1905, and was referred.

SEVERAL BILLS PASSED.
To amend and re-enact sections 16
and 18 of an act entitled an act to estab-
lish a dispensary for the sale of intoxicating
liquors in Farmville magisterial district,
in Prince Edward county, Virginia, to
prohibit all persons, firms, corporations
to sell, barter or exchange such liquors
in said district, and to repeal all laws
in conflict with this act, so far as they
apply to the said magisterial district, ap-
proved February 13, 1902.
To amend and re-enact sections 163
and 165 of the Code of Virginia, as
amended and re-enacted by chapter 266,
acts of Assembly, session 1902-3, ap-
proved May 16, 1903.
To repeal an act entitled an act to
establish a dispensary for the sale of
intoxicating liquors in Farmville magis-
terial district, in Prince Edward county,
Virginia; to prohibit all persons, firms,
corporations to sell, barter or exchange
such liquors in said district, and to re-
peal all laws in conflict with this act,
so far as they apply to the said magis-
terial district, approved February 13,
1902, provided that the qualified voters
of said magisterial district shall so elect.

HOUSE BILLS PASSED.
To amend and re-enact section 16 of
an act to establish a dispensary for the
sale of intoxicating liquors in the town
of Boydton, in Prince George county,
Virginia; to prohibit all persons, firms,
corporations to sell, barter or exchange
such liquors in said district, and to re-
peal all laws in conflict with this act,
so far as they apply to the said magis-
terial district, approved February 13,
1902, provided that the qualified voters
of said magisterial district shall so elect.

COMPELLED
TO REMAIN

Owing to the Great Demand For
His Services, Charles Lincoln
Smith Will be Here
Another Week.

The six weeks' stay of Charles Lincoln
Smith in this city has brought to him
over a hundred cases, a host of friends
and a regiment of endorers of his phe-
nomenal skill, method and prescription
glasses. If you are desirous of advice or
his services, but a short time yet re-
mains in which to gain the benefit of
Charles Lincoln Smith's great experi-
ence.

If you have blurring, dizziness, neu-
ralgia, headaches, spots before the eyes,
inflammations, winking, trembling, spells,
cataract, burning and smarting of the
eyes, various nervous and brain affec-
tions entailing not only positive injury
to the sight, but untold misery, call im-
mediately.

Charles Lincoln Smith, the famous New
York optician, is at Murphy's Hotel An-
nex, private rooms Nos. 10 and 11, and
Consultation absolutely free this week.

MR. E. W. GATES' OPINION.
Mr. E. W. Gates, the well known whole-
sale grocer of this city, is another of the
enthusiastic admirers in Rich-
mond of Charles Lincoln Smith's method
of prescription glasses. Mr. Gates said
today that his eyesight had annoyed him
excessively off and on for years. I have
tried innumerable glasses, and a number
of specialists without any result. I am
glad to say, after using Mr. Smith's glasses
that he has been most satisfactory in my case.
Therefore, I can recommend and endorse
Charles Lincoln Smith.

WIFE OF A WELL-KNOWN RAILROAD
MAN TESTIFIES.
Mrs. Dasey, wife of Mr. J. M. Dasey, a
well known citizen, and for years a val-
uable employee of the Richmond, Fredericks-
burg and Potomac Railroad when
seen at her home, No. 110 West Marshall
Street, this city, said: "Yes, indeed, I am
wearing Charles Lincoln Smith's pre-
scription glasses, and it affords me real
pleasure to tell of the wonderful benefit
I have received from them. For a long
number of years, said Mrs. Dasey, I have
been a great sufferer with my
eyesight, and was unable to read a single
line. I consulted Charles Lincoln Smith,
and he prescribed glasses, and I feel
perfect. And on last Sunday I was able
to read my prayer book in church for the
first time in four years. Charles Lincoln
Smith has been most satisfactory in my case,
and I do not object to let everyone know of it,
and of the debt of gratitude that I feel
I owe to him."

Two Thousand Bags
Peanuts Burned
Four-Story Factory Burned and
Petersburg Asked for
Help.

(Special to The Times-Dispatch.)
WAVERLY, VA., Nov. 28.—The Waverly
Peanut Company's Virginia peanut
factory building was destroyed by fire at
8 o'clock to-night. The fire broke out
on the fourth floor and advanced rapidly.
At one time it was feared that the entire
town would be burned.
Mayor Arnold telegraphed to the Pe-
tersburg Fire Department for a fire en-
gine to be sent by special train. Later
the fire, which consumed the building, was
extinguished and the request to Peters-
burg was countermanded.
The Peanut Company's loss is about
\$12,000, covered by insurance to the ex-
tent of \$7,000. Over two thousand bags
of peanuts were burned.

WASHINGTON GUARDS.
No Danger of the Company's
Disbanding.

A short time and will be one of the most
convenient churches in that section.
The bazaar and opera, given this
week for the benefit of the Mary Wash-
ington Hospital, resulted in a net sum
of over \$500 for the institution.
Messrs. E. L. Willoughby and Robert
L. Davis, of Newport, R. I., passed
through here in an automobile, stopping
long enough to visit points of interest.
They had ridden all the way from Phila-
delphia, and expect to make the trip
over land to Florida.

Jr. O. U. A. M. to Give Thanks.

D., and special music by the choir. The
members of the different Councils are
requested to assemble at Monroe Hall,
No. 611 West Main Street, promptly at
10 o'clock and proceed to the church in

occurred at the City Hospital yesterday,

Mrs. Mary H. E. Tyler.
(Special to The Times-Dispatch.)
TECK, VA., November 28.—Mrs. Mary
H. E. Tyler, the wife of Mr. Rowland
Green Tyler, who died at her home,
"Retreat," in King William county, Va.,
on November 21st, was the daughter of
the late Ira L. Thomas, of Caroline
county, Mr. and Mrs. Tyler were mar-
ried in Virginia, but for nearly twenty
years resided in Detroit, Mich. The more
gentle climate of Virginia brought them
back to their plantation home in King
William. She is survived by her husband
and sisters—Mrs. Emily T. MacTye and
Miss Isabella Morgan Thomas, of King
William county, and Mrs. Anna Thomas,
Hurt, of Williamsburg, Va.—and by her
niece, Mrs. H. T. Louthan, also of Wil-
liamsburg.
Mrs. Tyler was laid to rest at "Ret-
reat," only about three miles from "Ver-
dure," her girlhood home. She was a
Christian woman, and few knew how
often she lent a helping hand to those
around her. She will be greatly missed
by the community.

Judge Samuel G. Williams.
(Special to The Times-Dispatch.)
ROANOKE, VA., November 28.—Judge Sam-
uel G. Williams, one of the most promi-
nent and worthy citizens of this city,
died this morning from a complication
of troubles, aged seventy-five years. He
was a native of Bedford county, and
married a Miss Craddock, of that coun-
ty, who survives him.
He went to Missouri before the war
and was a member of the Legislature of
that State and a judge of one of the
courts. He came to Roanoke in 1881 and
was for many years a member of the
City Council and afterwards Mayor and
police justice. He was a strong Demo-
crat, and was a delegate to the St. Louis
Convention when Cleveland was nomi-
nated.

Moses Pierce.
(Special to The Times-Dispatch.)
MONTVALLE, VA., November 28.—Mr.
Moses Pierce, aged eighty-seven, died at
his home here on the 24th. He had made
quite a reputation by manufacturing a
curative salve from pine, and for years
sold large quantities. It was put up in
wooden boxes, and every household dur-
ing the late Civil War had a box of
"Pierce's Salve."

He leaves a large family of married
sons and daughters. Mr. Pierce was a
Christian, a good, honest citizen, and
highly respected by all.
R. L. Sisson.
(Special to The Times-Dispatch.)
FAIRFAX, VA., November 28.—Mr. R.
L. Sisson, aged seventy-seven, who had
carried the mail from this point to Fair-
fax Station ever since the war of 1861-65,
died Wednesday, the 25th, and was buried
Friday at the County Cemetery.
In no part of the county could a more
honorable gentleman be found.

Edward Wood.
(Special to The Times-Dispatch.)
CHARLOTTESVILLE, VA., November
28.—Mr. Edward Wood, a well known citi-
zen of Albemarle county, died at his resi-
dence at his home Thanksgiving Day, at
the age of sixty-five years. He was cut-
ting wood in an outhouse on his place
when he was stricken with paralysis. He
was taken to his residence, where he re-
mained for some time, but he never re-
covered, dying shortly after the first
paralytic stroke.
It is said that the paralysis was due
indirectly to the effects of a blow re-
ceived early last fall, when White Caves
visited the old man and gave him a
thrashing. The reason for the visit was
not made public.

B. C. Phillips.
(Special to The Times-Dispatch.)
GREENSBORO, N. C., November 28.—
Mr. B. C. Phillips, died at his residence,
near the Normal College, this morning of
pneumonia, after an illness of only three
days, aged sixty-six years. He came to
Greensboro thirty-five years ago from Vir-
ginia, and at one time was chief of police
of Greensboro. He was connected by mar-
riage with many of the best people in
the city and county, and his death is
greatly regretted, for he was a good citi-
zen.
